● **Summary Of Test Results:**

Total Test Cases- 7

Passed- 7

Failed- 0

Pass %- 100.0%

● **Conclusion and Recommendations:**

Pass Rate: 100.0%, Verified & Stable

● **Issues Found**

● **Recommendations**

1. Clarify Non-Functional Performance Thresholds
Specify explicit response time SLAs (e.g. cart loads under 2.0s) rather than subjective statements like 'system should be fast'.
